

west side story viewing pdf

The Israeli West Bank barrier or wall (for further names see here) is a separation barrier in the West Bank or along the Green Line. Israel considers it a security barrier against terrorism, while Palestinians call it a racial segregation or apartheid wall. At a total length of 708 kilometres (440 mi) upon completion, the border traced by the barrier is more than double the length of the Green ...

Israeli West Bank barrier - Wikipedia

Western culture, sometimes equated with Western civilization, Occidental culture, the Western world, Western society, European civilization, is a term used very broadly to refer to a heritage of social norms, ethical values, traditional customs, belief systems, political systems and specific artifacts and technologies that have some origin or association with Europe.
